Itinerario ampliado

An incredible experience for the more adventures and fearless! With this tandem-flight, you fly together with an experienced and qualified pilot, making this a simple and safe experience you will never forget!

Just sit back, relax and enjoy the views during this approximatively 20 minutes unforgettable flight.

Transfer for person not flying: 25 euros per person.

HOW IT WORKS:

First of all you get equipped and then the pilot gives you a small briefing about the safety rules and what you have to do. Then you get prepared for the star-off, by getting into position already \"hocked up\" with the pilot; then, when the right point comes (depending on the wind), you start a short run and in no time you take-off! After an aprox. 20 minutes flight, over the cliffs and sea, you get ready for the landing, where you also have to be prepared for a short run as soon as you touch the floor.

But no worries! It's really easy and lots of fun! :)
