Canyoning in Paradise, Madeira Island

One of Madeira's top adventures! Explore the mountains and riverbeds in a unique way.

A fantastic adventure that will take you into the deepest and wildest Nature of the island, where you will have to walk in and out of water, climb over rocks, jump into, abseil and swim in clear spring waters.

In the company of qualified guides and in well prepared canyons, this is a safe experience from which both beginners and experts will be amazed!

Itinerario ampliado

With more than 60 equiped canyons, Madeira has become a true paradise for this adventures sport, for both beginners and experts! With canyons recommended for any kind of training level, you do not need any experience to try out this unforgettable adventure. The presence of qualified and experienced canyoning guides will assure safe fun.

Also available under request:

- Advanced Canyoning for experienced climbers.

HOW IT WORKS:

After the pick-up from the hotel we drive up the mountains, where we get ready for the adventure by getting equipped and going through a short briefing with the guides about what to do and basic safety procedures.

Then we start walking in between the woods in the direction of the water and enter the riverbank. Here we start trekking along the river flow, in and out of water, and abseiling or jumping down the waterfalls!

Action Zones:

- Ribeiro Frio and Camacha.

Schedule:

- Everyday from 9:00 to aprox. 14:00.

Activity duration:

- Aprox. 2 to 4 hours.

Included:

- Transfer from hotel, wet suit and socks, helmet, all technical and safety equipment, qualified guides, small snack and water.
