## Ficha viaje

### Madeira Levada Walks - Rabaçal/ 25 Fontes

Walk along one of the most beautiful levada walks in Madeira and enjoy their amazing waterfalls and springs!

## Itinerario ampliado

The levada of Rabaçal begins in Paul da Serra more precisely in the area of Rabaçal. From this point we can observe one of the most beautiful valleys of Madeira, the valley of Rabaçal. In the first part of the route we will visit the wonderful waterfall of the Risco then descend to catch the levada to the 25 Fontes.

Along this Levada we can find several fountains and a wide variety of endemic flora and fauna of Madeira. To finish we visit the waterfall of the 25 Fontes and its lagoon.
