Itinerario ampliado

go 7 hills a lot consider that Lisbon is a city that is difficult to cycle, even tiring!

The 7 high hills of the city gave it the name of "Cidade das 7 colinas".

For us this is the most amazing tour where you will be able to enjoy a 360 view of the capital! Lisbon does not have just one or 2 point viewpoints but 7 of them!

One prettier than the other! Believe you won't get tired at all and just willing to go for more!
