Notes:

Arrival in Bali (If arrives in Indonesia through Bali): Generally it will take about 1 hour from landing to clear

Immigration and collect luggage (when multiple flights are landing, Immigration formalities may take longer - up to 2 hours).

When you exit the terminal, turn to your right. Our driver will be waiting for you at the exit from the terminal building (it can be very crowded). Our driver will be holding a Yellow A4 landscape sign with your name on it.

Expedited Immigration/Customs Clearance# (If arrives in Indonesia through Bali): If this is your first trip to Bali, or you don't like the hassle of waiting to get through visas and immigration, we can book you a VIP meet and greet service at the airport. You will be met as you enter the terminal and your "guide" will arrange for your paperwork to be processed and your luggage collected, without the need to queue. This arrival service is available for a fee of USD30/adult (USD27/child).

Daily Breakfast: Generally hotels will begin serving breakfast at 07:00. On diving days, we suggest you to speak to reception staff to organise an early or take-away breakfast.

Diving & Flying: Please ensure you allow 24 hours between your final dive and any flight.

Travel Insurance: We strongly recommend travel cancellation insurance.
