THE VINTAGE CAR:

The Triumph TR6 was launched in Great Britain during 60-70 decades. With a 6 cylinder motor, a 4 gear box and with "overdrive" mode, this car was a real \"Hotride\" back then....and still is!

HALF-DAY TOUR

Duration: aprox. 3 hours

Typical Route: Caniço - Santo da Serra - Portela - Camacha - Caniço

FULL DAY TOUR

Duration: aprox. 7 hours

Typical Route: Caniço - Ponta do Sol - Calheta - Jardim do Mar (and back)

HOW IT WORKS:

The meeting point for the vintage car tours is in Caniço de Baixo, where we start by giving a small explanation about the cars and discuss the route we will be driving.

Then, the only thing you have to do is follow the guide driving in the car in front and enjoy the ride and the spectacular panoramic views!

Along the way, we do several stops to take pictures and enjoy the different locations.

At the end, we drive back to the starting point in Caniço de Baixo.
