2013 RALLY SARDINIA Jun 21st to Jun 23rd, Italy

Rally Info:

Rally Sardinia is one of the most challenging gravel rallies in the WRC, and is set amongst some of the best scenery in world rallying. This beautiful Mediterranean Island's rugged coastline is simply stunning, whilst the hinterland is unspoilt with small towns and villages dotted around the undulating countryside, and breathtaking mountain ranges.

The stages themselves have a little of everything; with some flat-out blasts through the Pine forests to rival anything Finland has to offer, and some tight tortuous climbs reminiscent of Cyprus or even the Safari Rally!

Our Rally Sardinia tours offer a unique combination of some of the best spectating in the WRC & the chance to relax pool-side and enjoy the fantastic scenery and weather that the island is renowned for in late June.

We have both **Self-Drive** and **Escorted Tours** on offer for 2013 - please select above which one you would like to visit.
