TASTES OF PENEDES

ITINERARY

Enjoy a one-day guided tour from Barcelona to Penedes. Relax discovering the exciting world of wine during 8 hours around a land consecrated to vineyards since Phoenician times while enjoying the intimate atmosphere of a private group.

The tour begins in Vilafranca where we will discover the history of the Torres family, linked with wine for more than three centuries. A train will tour us around the vineyards that produce one of its most prestigious red wines. After the guided visit at the winery we will enjoy a wine tasting.

Next we will arrive to the alluring world capital of cava, Sant Sadurní, located in the Alto Penedès. There we will enjoy our lunch at a typical Catalan restaurant before heading to Freixenet, one of the largest worldwide producers of cava.

The guided tour will show us the tradition and culture of the magnificent world of cava, introducing us in the process of cava making and ensuring an authentic enotouristic experience. After the visit we will enjoy a glass of sparkling fresh cava.

Finally we will return to Barcelona where we will arrive at 5:30 pm.
