## Covid19 Info

- All of our providers comply with local legislation and applicable health recommendations regarding protection and safety, to help avoid the spread of Covid-19. Specifically, the provider of this tour will apply the following measures:
- Tours or activities will not consist of more than 5 people per group.
- A safe distance of one metre between clients will be maintained whenever possible.
- The use of masks is obligatory. The client must bring their own mask.
- Alcohol gel will be available before, during, and after the service.
- All those running the service (guide, driver etc...) will wear a mask throughout its duration.
- Handing out of printed material such as maps or brochures will be avoided.
- The temperature and wellness of all those taking part in the service will be monitored daily, excluding and maintaining in quarantine any who display fever or symptoms.
- The transport used will be disinfected before and after each service and deep-cleaned every 24 hours.
- Showing your voucher on your phone will be enough, and it is not necessary to print anything.
